Homes with plots like this are exceptionally hard to come by. This beautiful Edwardian house occupies a magnificent plot, with an extraordinary south-west facing garden, substantial frontage, a double garage and endless possibilities for its next owners.

Offered to the market for the first time in 35 years, the house is full of period charm and character, with generous accommodation arranged over three floors, including six bedrooms, multiple reception rooms and a spacious kitchen/dining room opening towards the garden.

The real attraction, however, is the remarkable outside space. The extensive, mature gardens provide an incredible sense of privacy and seclusion, with established trees, sweeping lawns and plenty of room to enjoy.

With such a substantial plot and an enviable position, this is a genuinely rare opportunity to secure a long-term family home with enormous potential to make your own.

Ormond Avenue is one of Hampton's finest roads. In the heart of the village you are moments from the cafés, shops and train station, with great schools on your doorstep including state and private.
