The Property

An exquisite four-bedroom home nestled in the heart of exclusive Primrose Hill.

Offering 2,557 sq ft of beautifully interior-designed accommodation, this exceptional property has been meticulously refurbished to combine elegant period charm with striking contemporary design.

The ground floor opens into the heart of the home — a superb open-plan kitchen, dining and living space featuring a bespoke hand-crafted kitchen with Gaggenau appliances, double-height Crittall doors and glazed roof, a dedicated workspace, bespoke cabinetry and a feature fireplace.

The garden level provides a wonderfully versatile living area, including a cosy snug reception room, an additional workspace and direct access to the garden through further impressive Crittall doors. This floor also comprises two bright bedrooms, a stylish shower room and excellent storage.

The first-floor reception room perfectly captures the home's period character, with intricate corning, floor-to-ceiling sash windows, parquet flooring and a beautiful fireplace. The principal bedroom suite occupies the second floor and features a spacious en suite “his and hers” bathroom, bespoke storage and dressing area.

The top floor offers a further bedroom, study space and an impressive terrace with far-reaching views.

Princess Road is enviably located, with Primrose Hill moments away, Regent's Park nearby and Chalk Farm Underground Station (Northern line) within a 10-minute walk.
