2 Davigdor Road Hove, BN3 1QD Guide Price £650,000

A contemporary front door opens into an L-shaped entrance hall, showcasing an exposed natural brick wall, a colourful stained-glass window and a radiator, whilst stairs rise to the first floor, with under-stair storage cleverly integrated. At the entrance, you will find a modern cloakroom fitted with a white suite including an enclosed WC, Thomas Crapper basin, radiator, towel rail, and partly tiled walls. A stained-glass window to the front completes the space. The ground floor is a showstopper: a beautifully designed open-plan living area filled with natural light and character. With a double-glazed bay window at the front and a contemporary fitted fireplace with an illuminated shelf above adds ambience. The space is further elevated by natural brick walls, tower radiators, and engineered wood flooring. Flowing seamlessly into the open-plan kitchen and dining area, you will find a large, brushed steel island unit that not only houses an induction hob and extractor fan but also provides a stylish dining space. Below are soft-closing storage units, while a brushed steel sink with integrated dishwasher and fridge enhances functionality. A fan-assisted oven and microwave are built into the cabinetry, with additional storage all around and a Tower radiator included for comfort. Adding to the home's unique appeal are reclaimed deck boards from Brighton Pier, which have been thoughtfully repurposed as feature doors to the utility room and under-stair storage, adding a sense of history and artistry. Upstairs, both double bedrooms are generous in size and benefit from their own en-suite facilities, offering privacy and luxury.

Externally, the front of the property boasts a herringbone block-paved driveway, providing off-road parking for multiple vehicles. A side gate leads to the South/West-facing rear garden, featuring a decked patio area.
