DESCRIPTION

Built in 1999, The Limes is a spacious and adaptable detached home with some of the best views in Hollam Drive, over the Barle Valley and beyond. The property is on a small and select development, which has been very carefully designed to blend with the adjoining countryside and parkland. The house benefits from its surrounding gardens, seating areas with southerly views and a large double garage.

ACCOMMODATION

Upon entering the property there is a WC with additional storage and further cloakroom. The hallway leads through to the sitting room, a generous and bright space with a feature fireplace and large sliding doors opening onto the balcony, enjoying stunning views across Dulverton and the Barle Valley. A doorway also connects to the dining room which has the flexibility to work as a fourth bedroom, study or snug.

From the hall, the kitchen/breakfast room is well-appointed with a range of fitted units, integrated appliances and further storage cupboards, offering ample space for dining and benefiting from dual aspect views. This leads through to a utility room with external access to the side of the property.

Stairs descend to the ground floor where the principal bedroom enjoys a southerly aspect with an en suite bathroom and benefits from built in wardrobes. There are two further double bedrooms and a family bathroom. From the landing, doors open onto a sun terrace and patio, providing an excellent space to sit out and take in the far-reaching views.
