The property

8 Courthouse Road is an attractive link-detached family home with 4 bedrooms and 2 reception rooms located on one of Maidenheads most convenient roads close to Boyn Grove Park, the cricket club and within easy access of the Elizabeth Line and excellent schools within Maidenhead. The property is set well back from Courthouse Road with parking for multiple vehicles on the tarmac driveway leading up to the garage. There is also an ornate area of front garden mainly laid to lawn with a variety of bushes and shrubs, which marks the boundary of the property. The front door is located on the left hand side of the house and it brings you into a spacious and light entrance hall which provides access to all principal reception rooms including the large sitting room with beautiful bay window and also the kitchen and dining rooms. There is a downstairs WC and the stairs to the right lead to the 1st floor landing where there is access to the 4 double bedrooms and a large family bath / shower room.

Garden

The back garden is easily accessible from the kitchen or dining room as well as a door leading from the garage. The rear garden is east facing and very private in nature with a large area of lawn and a range of trees, shrubs and flower beds providing colours throughout the year. There are more mature trees on the boundary which provide excellent screening from any neighbours and there is also wooden close board fencing which completes the borders. Parallel to the house there is an area of patio which is perfect for entertaining and provides ample space for a table and chairs.
