DESCRIPTION

Constructed by the current owners, Braddicks is an impressive and beautifully presented family home, situated in the East Devon countryside on the edge of the highly regarded village of Woodbury Salterton. Set within private grounds extending to approximately 4 acres, the property offers spacious and well-planned accommodation amounting to just over 3,800 sq ft.

The ground floor provides three generous reception rooms together with a superb kitchen/breakfast room, complemented by an adjoining boot room. To the first floor are six bedrooms, two of which benefit from en suite facilities, in addition to a family bathroom and a separate shower room, making the property ideally suited to modern family living.

ACCOMMODATION

A solid wooden front door opens into a welcoming and spacious entrance hall with an impressive wooden staircase rising to the first floor. To the right is a cosy snug/second sitting room featuring a Morso wood burner and two sets of windows overlooking the front of the property. To the left, a door opens into a splendid sitting room with a Contura wood burner, French doors opening to the front and two sets of windows to the side. This room flows through an opening into a generous dining room, which enjoys French doors opening onto the rear garden together with two sets of side-facing windows, creating a wonderfully light and sociable space. The family room, lounge and dining room all benefit from engineered oak flooring throughout.

From the dining room an opening leads into an impressive kitchen/breakfast room, measuring approximately 27 ft across. The kitchen is fitted with a range of wood-fronted base, wall and drawer units with granite work surfaces and a central island providing additional storage, a seating area and a wine fridge. Further features include a double Belfast sink overlooking the rear garden, both a half-size and full-size integral dishwasher, space for an American-style fridge/freezer and a Range cooker. At the far end of the room is a fitted bench seat, ideal for informal dining, with French doors opening out to the garden. The kitchen also benefits from an existing opening suitable for a wood burner to be installed.

Leading off the kitchen is a particularly useful boot room with a range of fitted cupboards and a door to the garden. From here there is access to a utility room and a downstairs W.C. The hall, kitchen, utility room and boot room are all finished with flagstone flooring, supplied by Mandarin Stone.

On the first floor, a large landing leads to six well-proportioned bedrooms, two of which are positioned to the front and enjoy attractive views over the grounds.
