## Client Testimonials

“ We recently bought a property through SJ Smith in Ashford and had a great experience from start to finish. Robert and Simon were both excellent – always polite, helpful, and quick to respond to any enquiries. Communication was clear and consistent throughout, and we really appreciated that there was no pressure or pushy sales tactics, unlike with some other agents we dealt with. We felt genuinely supported during the process and would highly recommend their service based on our experience. ”

“ We sold our house with SJ Smiths and they were incredible throughout. Their photographer did a fantastic job at capturing our home from some tricky angles. Then when our house went on sale, they were very responsive and communicative throughout the viewings process, giving us feedback after each viewing. Our house sold within a week and we really do believe that was down to their hard work. We are so glad we chose S J Smiths and couldn't recommend them more. Thanks so much guys. ”

“ Most honest and experienced estate agents in the area. Easy to work with. We had a tight deadline to meet in order to beat the stamp duty increase. I would definitely recommend going with them whether you have to sell or purchase. They work towards making things happen for you. ”

**51 Alexandra Road, Ashford, TW15 1TW**

**£200,000**

Located on a quiet residential road and enjoying views across Alexandra Recreation Ground, this versatile parcel of land has most recently been used as a builder's yard and for the storage of domestic building materials. The site includes a unit comprising an office area along with a storage shed/garage. Mains water and electric supplies are present, although currently disconnected. The yard has a rateable value of £8,300 and was also identified within Spelthorne Borough Council's Strategic Land Availability Assessment in 2018 as a potential development site. A waste pipe has been installed, running from the entrance gate to the shed/garage, adding further practicality to the plot. Positioned between two established residential dwellings, this site presents an excellent opportunity for redevelopment into residential accommodation, subject to the usual planning consents.
