LOCATION

Wilstock Village is an attractive modern development positioned at the foot of the Quantock Hills, offering an ideal blend of countryside surroundings and convenient transport connections. The development enjoys excellent access to the M5 motorway and A38, making it well suited to commuters, while the nearby town of North Petherton provides a range of everyday amenities including shops, schools and local services.

The thriving market town of Bridgwater is located just over a mile away and offers an extensive selection of facilities, combining a variety of independent retailers with popular high-street stores, as well as leisure, dining and transport links.

Further enhancing the appeal of the area, a new community centre, café and nursery are currently under construction on Campion Way, with completion anticipated in Summer 2026. Once completed, these new facilities will provide valuable amenities for residents and strengthen the sense of community within this increasingly popular development.
