Situated on Holcombe Walk, SK4 5NX lies within Heaton Chapel, close to the boundary with North Reddish. The position offers buyers a practical balance of residential living, nearby schools, local green space and convenient access to both Stockport and Manchester.

The postcode is particularly appealing to first-time buyers, professionals and families who want access to the wider Heaton's lifestyle without being directly on the busier main roads. Reddish South and Heaton Chapel railway stations are both accessible, while the independent shops, cafés and restaurants of Heaton Moor Road are only a short journey away.
