Situated in the highly sought-after Offington area, this beautifully presented & thoughtfully extended family home offers exceptional living space across three well-designed floors. Meticulously improved by the current owners, the property combines modern style with practical family living.

The entrance hall sets the tone with elegant oak flooring and a striking floating staircase with glass balustrade and LED lighting. To the front, a bay-fronted double reception room provides a warm and inviting retreat, complete with oak flooring and a wood-burning stove. Double doors open into the impressive open-plan kitchen/dining/family room, fitted with a contemporary kitchen, underfloor heating and bi-fold doors that seamlessly connect the indoors with the rear garden. A utility room with shower and WC is conveniently accessed from this area.

The first floor offers two generous bedrooms, a study, and a luxurious family bathroom featuring a walk-in shower, twin sinks and underfloor heating. The principal bedroom benefits from a stylish wet-room style en-suite with shower and WC. The second floor hosts a spacious double-aspect bedroom with a distinctive porthole window, adding charm and character.

To the front, the property enjoys a private driveway leading to a brick-built garage, providing off-road parking and storage. The beautifully landscaped rear garden is a standout feature, boasting a raised patio with integrated sunken hot tub and feature fountain, along with lawned and decked areas ideal for entertaining. At the far end of the garden is an impressive detached garden room currently used as an office/studio complete with oak flooring, bi-fold doors, power, water supply and internet. This versatile space offers excellent potential for further development, such as the addition of an en-suite.

The property benefits from an upgraded, energy-efficient heat exchange system powered by two units, providing both heating and convenient air conditioning throughout the home.
