The front garden is laid majority to lawn with hardstanding walkway across the front of the

property. The walkway provides access from the road to the front door. To the right hand side is an evergreen bush border with the front and left elevations in the form of exposed stone wall with a chipped area directly inside of the front wall. A hardstanding walkway provides access via the left-hand side of the property to the garage to the rear.

The rear garden has an elevated patio with outdoor tap. The garden drops down to provide access to the formal garden with slate walkway providing access to be rear gate. Immediately to the rear of the property is a useful attached outbuilding with light and power. The boundaries are clearly defined with wood fencing to right, left and rear. Beyond the outbuilding is an area of decking with seating to the rear of the plot. A gate at the rear provides access to the properties garage.

Garage:

The garage is the first green door to the right hand side, upon exiting the rear access gate.
