£1,200,000 - Freehold

A rare opportunity has arisen to acquire this imposing mid-19th-century Victorian villa, occupying a prominent position within one of Southwick's premier residential roads, just moments from Southwick Village Green. Offered for sale for the first time since 1980, this substantial and much-loved family home, having been extended by the current vendor, combines impressive proportions, versatile accommodation and a wealth of period character, together with a magnificent southerly rear garden, extensive parking and garaging.

Set on level ground in this highly convenient location, the property is within easy reach of the comprehensive amenities of Southwick Square, Southwick railway station and regular bus services. Families are also well catered for, with a variety of local schools nearby, including the highly regarded Shoreham Academy.

The generous ground-floor accommodation is particularly impressive. A superb 25' dual-aspect lounge provides a wonderful space for entertaining and features glazed double doors opening into a second reception room, from where a southerly aspect can be enjoyed across the rear garden. There is also a stunning 19'4 bay-fronted dining room, ideal for family gatherings and more formal entertaining.

At the heart of the home is the spacious 17'5 fitted kitchen/breakfast room, providing plenty of room for everyday family life and benefiting from access to a deep larder cupboard. A separate utility room and ground-floor WC complete the accommodation on this level.

The sense of space continues upstairs, where the first floor provides five bedrooms. Four are generous double rooms, including the principal bedroom which benefits from a contemporary en-suite bathroom incorporating both a bath and a spacious separate shower enclosure. The fifth bedroom is a single room and would lend itself equally well to use as a nursery, study or dedicated home office. A contemporary family shower room serves the remaining bedrooms.

Gardens & Garaging

The rear garden is a particular feature of this exceptional home. Extending to approximately 85 feet and enjoying the highly sought-after southerly aspect, it provides a wonderfully private and secluded setting in which to relax and entertain. A full-width patio immediately adjoins the rear of the house, creating an ideal space for outdoor dining, beyond which lies an expanse of lawn complemented by attractive, well-stocked shaped borders.
