Homes for Good

Whether you're looking for your first home, next home or forever home, Curo can help.

We build quality, attractive homes designed for modern living, giving you confidence that you're making a great investment in your family's future. We believe a home is more than bricks and mortar; we create thoughtfully designed developments with connections, community and our customers at their heart.

We're proud to be a business with social objectives. That's why, instead of having shareholders, we re-invest all our profits to achieve our purpose – to create Homes for Good.

Locking Parklands comprises one and two bedroom apartments and two, three and four bedroom homes.

Situated in the village of Locking, just on the outskirts of Weston-super-Mare, the Locking Parklands development is well underway, with this latest phase located right in the heart of a wonderful new community.

Perfect for first time buyers and families, this modern scheme benefits from both convenient connections, and the tranquillity of living away from the hustle and bustle. The new homes will be attractive, energy-efficient and based within a beautiful open green space setting.

A selection of 124 homes benefitting from private gardens and off-street parking.

The properties at Locking Parklands are built to the highest standards, with sustainability and the environment at the forefront. Set within 80 acres of green space, the established trees and rich wildlife habitats have been protected, creating a palpable sense of nature.

A network of footpaths shall link the new homes with the many green spaces, community facilities, flexible workspace, new schools, shops and cafes.

A popular location

Locking is a peaceful new village that has many amenities right on its doorstep.

It's also only a 10-minute drive from the increasingly popular Weston-super-Mare: a vibrant coastal town with so much on offer. Home to a two-mile long sandy beach and the iconic Grand Pier, activities such as water sports, seawater swimming or fish and chips on the beach no longer have to be a yearly treat.

Weston has developed into a destination designed for year-round living. With parks, cinemas, music venues, independent shops, two theatres and amazing restaurants, there are endless activities to keep you and your loved ones entertained.

Getting to the city is quick and stress-free. From Weston-super-Mare, there is a direct train to London, and it takes less than half an hour to get to Bristol. For drivers, you can get on the M5 in under 10-minutes.

Ideal for families and first time buyers

From schools to leisure, Locking Parklands has it all.

With several good nurseries and schools in the area – including two primary schools within walking distance from Locking Parklands – you are spoilt for choice across every age group. For further educational options, close links to both Weston-super-Mare and Bristol offer a multitude of opportunities.

Living in Locking is sublime for families, with so much to explore. Whether it's a family day out or a moment's peace, the breathtaking Mendip Hills (recognised as an Area of Outstanding Natural Beauty) are practically on your doorstep, with Cheddar Gorge's infamous caves and cliffs only a short drive away.

For sport and leisure, there are a myriad of options in Weston. Hutton Moor Leisure Centre has a pool, gym and a range of other facilities, while there are numerous different sports clubs across the town.

Choose your very own upgrades, from luxurious quartz worktops to an eco-friendly rainfall shower.
