IF YOU LIVED HERE...

With secure entry, 24-hour concierge, and lift access, this well-designed apartment offers an impressive balance of security, space, and style all wrapped in clean lines, clever details, and a calm contemporary finish. Set apart from the other units, it provides a more private and secluded space. From the moment you step inside, practicality meets design: large storage cupboards sit to your left and right, perfect for coats, shoes, and daily essentials. Practical, large-scale tiled flooring runs from the hallway through every room, while soft French Grey walls create a consistent, serene atmosphere that ties the living spaces together beautifully. The main bathroom features a bath and shower combination with a chic chevron-tiled feature wall, giving the space a refined, spa-like quality. The first double bedroom is bright and peaceful, with floor-to-ceiling windows letting in soft morning light thanks to its southeast-facing aspect. A built-in double wardrobe and sleek en-suite complete with a walk-in shower add effortless functionality and mirror the clean, high-quality finish of the main bathroom. The second double bedroom enjoys the same light-filled aspect and a large bespoke fitted wardrobe. At the heart of the home lies the glorious open-plan living space, naturally divided into cooking, dining, and relaxing zones without losing its flow. The kitchen, recessed in a U-shape, offers plenty of base and wall cabinetry along with

high-quality integrated appliances, a good-looking and easy-to-use space. Large double aspect floor-to-ceiling windows with bespoke Italian blinds flood the space with natural light, and from here you can step out onto your south-facing private balcony. With wooden decking and full cover overhead, it's a perfect spot for coffee, conversation, or a few quiet minutes of fresh air in any season. The simple metal balustrade keeps the view open and unobstructed. Residents also benefit from access to a private internal courtyard filled with greenery and a shared roof terrace, a rare opportunity to connect with neighbours in a peaceful setting. Designed with care and built for real living, this home offers the ideal blend of comfort and sophistication, whether you're hosting, unwinding, or simply enjoying a bit of space to call your own.

WHAT ELSE?

Fish Island is now home to an ever-evolving range of bars and restaurants. Barge East is a 120-year-old barge and award-winning fine dining moored up just ten minutes away on the River Lea. The tranquil Queen Elizabeth Olympic Park, is just a five-minute stroll from your new home. The equally grand Victoria Park is just as close in the other direction, where the Sunday food market is a must when you need a pit-stop. Westfield - the largest shopping mall in Europe, is only 20 minutes on foot

A WORD FROM THE OWNER...

Fish Island is a vibrant, creative, and inclusive community. The multicultural spirit here shines through in the diverse range of cafés, restaurants, shops, and bars. From speciality coffee spots and the Italian bakery just next door to beautiful parks and contemporary art galleries, Hackney Wick truly has something for everyone. Weekends at Victoria Park or Broadway Market buzz with energy, international flavours, and local artisan creations. For dog lovers, Victoria Park is right on the doorstep and hosts the popular All Points East Festival annually. The nearby marshes are perfect for afternoon strolls or weekend adventures with your furry friends. While you're there, you can also enjoy a Sunday roast by the River Lea at the Princess of Wales, brunch at Here East, or pizza and local beer at Crate Brewery. Properties in the area vary from characterful Victorian and Georgian houses to charming red-brick blocks and beautifully designed modern developments with shared roof terraces. I've truly loved living in Hackney Wick, and it holds a very special place in my heart.
