This lovely property has many features that make it stand out from the crowd. From the gardens to the front, rear and side, the stunning modern kitchen extension and the garage, to the master bedroom suite. It is all superbly presented in a contemporary style that also pays heed to the age of the property. The gardens are well stocked with a range of trees and herbaceous planting over gravel (to ease maintenance) and there is a stylish and spacious patio area adjacent to the French doors of the dining kitchen. The gardens to three sides as well as the style of the house give it a modern cottage feel, still urban but with a rural hint. The garage is at the rear of the property and opens onto Waltham Court, off Mill Lane, and offers parking in front of it.
