Dating back to 1865, Brantwood is a truly magnificent detached family residence that has been thoughtfully restored and extended to create a home of both style and substance. Painstakingly refurbished by the renowned Rainfords Interior Designers, the property offers a perfect blend of traditional period elegance and high-end modern finishes, making it an exceptional home ready to be enjoyed by its next owners.

Inside, the accommodation is arranged across three floors and offers excellent flexibility. A grand reception hallway with original tiled flooring and a sweeping return staircase sets the tone on arrival, leading to three beautifully proportioned reception rooms – including an elegant living room, a formal dining room, and a light-filled sitting room with French doors to the garden. At the heart of the home lies a bespoke Italian kitchen, complete with granite worktops, stylish tiled flooring, and premium integrated appliances. This space is complemented by a practical utility room, guest WC, and rear entrance porch.

Upstairs, the property continues to impress with four generous double bedrooms on the first floor, three of which boast their own modern en-suite shower rooms. A luxurious house bathroom serves the remaining bedroom. The second floor adds further versatility, with bedroom five having an en-suite shower room, dressing area and a dedicated home office space. There is also a superb living room ideal as a cinema, games room, family lounge or sixth bedroom depending on your needs.
