Entrance Porch - Entrance Hall - Lounge With Wood Burner - Conservatory With Doors To Garden - Dining Room - Kitchen/Breakfast Room - Cloakroom - First Floor Landing - Bathroom - Four Bedrooms (One With En-Suite Shower Room) - Study With Access To Two Loft Rooms - Front Garden With Integral Garage & In/Out Driveway - Good Size Rear Garden

Located in a pleasant and peaceful cul-de-sac location on the edges of Ticehurst village with ready access to open areas of countryside, an impressively spacious four bedroom detached family home with considerable potential to develop the upper two loft rooms, subject to permissions being obtainable. As currently arranged, this large family home has a large ground floor lounge open to a conservatory with well maintained and tended gardens beyond, there is a separate dining room and a further spacious kitchen/breakfast room. It also enjoys a ground floor cloakroom, a large entrance hallway and an integral garage. There are four bedrooms to the first floor - of which three are especially good sized - and of which one has an en-suite facility. One of the bedrooms is currently used as an additional lounge though clearly this could become a spacious master bedroom once again. Beyond this, the first floor study has a staircase leading to a part converted loft void with two large loft rooms ripe for conversion - perhaps especially suitable for those who may enjoy a small lounge area adjacent to their bedroom. Externally the property has an in/out driveway and garage offering considerable parking space alongside well-tended and enclosed rear gardens. Given the size, specifications and quality of this proposition it should not come as a surprise that the current owner has been in residence for over 50 years.
