DC Lane are delighted to present this well proportioned apartment, set within a modern development in a quiet cul-de-sac just a short walk from Plymouth City Centre and the waterfront, with a wide range of local amenities conveniently close at hand.

Accessed via a well maintained communal hallway, the property occupies an elevated first floor position. Although some updating would enhance the interior, the apartment enjoys an abundance of natural light and offers generous accommodation throughout.

The layout comprises a spacious lounge/diner with sliding doors opening onto a front facing private balcony. The principal bedroom features built in wardrobes and sliding doors leading directly to a private, low maintenance fenced garden. A further bedroom, also with built in wardrobes, offers flexibility and could alternatively serve as a dining room or home office. The accommodation is completed by a fitted kitchen with ample cabinetry and a bathroom with a shower over the bath.

Additional benefits include an integral private garage with an up-and-over door, an off road parking space and the significant advantage of being offered to the market with no onward chain.

This apartment represents an excellent opportunity for first time buyers, downsizers or investors seeking a well located property with scope to add value. An early viewing is highly recommended.
