The separate sitting room provides a cosy yet bright retreat, with a bay window to the front offering a pleasant outlook and a perfect spot to relax.

There are three well-proportioned bedrooms, two of which benefit from fitted wardrobes and stylish en-suite shower rooms, one also featuring a Jack and Jill door for added convenience. The principal bedroom is a standout feature with French doors opening directly onto the garden. The third bedroom is currently used as a study, offering flexibility for home working, hobbies or visiting guests. Excellent integral storage throughout further enhances the practicality of the home.

Outside

Externally, the beautifully landscaped rear garden provides a private and tranquil setting, designed for both enjoyment and ease of maintenance. It features a patio with pergola for shaded seating on a second patio area, decorative gravel areas, a gently curved lawn and well-stocked planted borders with raised flowerbeds, perfect for keen gardeners or those who simply want to relax and enjoy the surroundings. A discreetly positioned shed and gated access lead to the driveway. To the front, a driveway provides off-road parking and leads to the garage, complete with an up-and-over door, power and lighting.
