Offered for sale with no ongoing chain, a two bedroom purpose built ground floor apartment providing deceptively well proportioned accommodation, which includes a large living room and a private rear garden, ideal for family entertaining, directly accessed from the rear of the property.

The apartment is conveniently located approximately 0.4km from the village centre and the amenities including pubs, community store/post office and doctors surgery.

A modern composite type entrance door opens to an 'L' shaped entrance hall which features a very useful walk in storage cupboard and the gas warm air heating unit (untested at the time of inspection). The hallway provides direct access to all rooms within the apartment.

The kitchen has been re-fitted within more recent years and incorporates handleless doors, counter tops, matching floor and wall base cupboards, composite sink set beneath front facing window with instant hot water tap (water heating unit untested) space for refrigerator, fitted electric oven and ceramic hob, extractor hood, integrated dishwasher and washing machine (appliances untested) .

The living room enjoys excellent natural lighting with windows to two elevations, and as mention previously is a generously proportioned room. There are two bedrooms both provided with fitted wardrobes and a modern shower room with adjacent separate WC.

Access to the garden is via French doors from the second bedroom within the apartment, or via a side gate which can be accessed by walking through the main building and out through the rear door.

The main part of the garden is raised and hard landscaped for reduced maintenance and convenience. There are timber fences to the boundaries and a small pond.

Garden dimensions; 6m(d) x 9m(w) approximately.

Located within the main building the apartment is provided with a useful walk in in storage cupboard which could house a pedal cycle etc.

Agents note;
The apartment is fitted with modern laminate flooring throughout. Localised heating is via a gas warm air producing unit. It is important to note that this heating unit was not tested during our inspection. Titles; the apartment is leasehold, we understand the garden is freehold.
