

BEAUFORT GREEN

St Dionis Road, SW6

£1,600,000

Set within a former church on St Dionis Road, The Chapel is a home with genuine architectural presence. Its original character has been carefully balanced with a calm, contemporary interior, creating a space that feels both individual and easy to live in.

The layout is bright and generously proportioned, with an inviting reception room, two spacious bedrooms and two modern bathrooms. Subtle references to the building's past give the property its identity, while the refined finishes and thoughtful detailing bring a sense of warmth and simplicity throughout.

Positioned in the heart of Parsons Green, the property is moments from the area's independent cafés, restaurants and shops, as well as its leafy streets and strong neighbourhood feel. Parsons Green Underground station, nearby parks and riverside walks are all within easy reach.

Architecturally distinctive and beautifully considered, The Chapel offers a rare take on contemporary living in one of Parsons Green's most established residential settings.
