Cambridge, CB4 3DL

- Classic Victorian terrace
- Off road parking
- 4 bedrooms
- Beautifully appointed

A thoughtfully extended 4 bedroom Victorian terrace property located in coveted Holland Street, moments walk from Alexandra Gardens and the River Cam.

Filled with character, the period features commence before entering the property with a chequered tile pathway leading to the front door, which itself is set a few feet back from the road behind a low-level brick wall with half-road coping stones and black railings.

Inside the property is an endearing mix of character and contemporary features, spread over three floors and 1460 sqft feet. The dual aspect sitting room has particular charm with high ceilings and a large bay window providing a real feeling of space. There is a log burner, alcove cabinetry and access to a small internal courtyard with log storage.

At the end of the hallway the modern kitchen and extended dining area brings a contemporary feel with the ease of living this inevitably brings. The kitchen has handleless cabinetry, integrated appliances and plenty of worktop space.

Beyond the kitchen is the dining space with large bi-fold windows leading out to the rear garden and the dining area settled underneath a large sky lantern, offering excellent natural light. From the dining area is a downstairs cloakroom.

The good sized garden has been thoughtfully landscaped with a patio area directly behind the property and then raised beds and lawn. Significantly, there is a parking space at the end of the garden, access from Fisher Street behind large wooden gates.

On the first floor the front bedroom is a large double with dual sash windows and bespoke integrated wardrobes. Both the middle bedroom and the rear are doubles and enjoy views over the rear garden. Positioned between these two bedrooms is the family bathroom, finished with stylish tiling, shower, separate bath, vanity unit and additional storage.

Occupying the second floor is the primary bedroom, which is a large double room with en-suite shower room. There is a beautiful feature window overlooking the rear of the property and the terraces beyond.

Holland Street adjoins Victoria Road and Carlyle Road and provides easy access to the center of the city. The River Cam is 5 minutes walk away with the city center only a few minutes further.
