Converted from a Grade II Listed mansion around twenty years ago, 2 Holmhurst St Mary is an exceptional four-bedroom family home, forming part of an exclusive gated development within an impressive period building.

A private entrance opens into a welcoming lobby, leading through double doors to a superb hallway extending across the ground floor, complete with practical built-in storage. The generous kitchen features French doors opening onto the garden and flows effortlessly into a beautiful sitting room, where two sets of French doors lead out to a south-facing terrace and landscaped gardens. A feature fireplace with original Delft tiles adds both charm and character to the room.

The ground floor also benefits from a spacious utility room, a well-appointed cloakroom, and a comfortable snug or reading area. In addition, there is a recessed cellar, currently arranged as a wine store and home gym. The staircase continues to reflect the property's period heritage.

On the first floor, there are four well-sized bedrooms, three of which overlook the garden and enjoy distant sea views. A stylish family bathroom has been updated to include a walk-in shower, whirlpool bath, contemporary tiling, and modern fittings. The second floor provides a bright principal bedroom suite with an en-suite shower room and extensive eaves storage, enhanced by natural light from dormer windows.

Outside, the south-facing garden extends to approximately 150ft and is partly enclosed by an attractive stone wall, creating a peaceful and private setting. To the front, electric gates open onto a gravelled parking area with allocated parking, complemented by mature planting.

A wonderful opportunity to acquire a substantial and character-filled home, blending period features with modern-day living. Please contact the vendors' sole agents, Just Property.
