Description

A spacious and substantially extended four-bedroom detached family home, enjoying a desirable southerly aspect and offered for sale with no onward chain. Situated within a peaceful private lane in the sought-after village of Small Dole, the property is ideally positioned close to beautiful countryside walks and local amenities. Having been thoughtfully extended over the years, the home now offers exceptionally versatile and well-proportioned accommodation arranged over two floors. The ground floor features a superb open-plan kitchen/dining room, an impressive extended sitting room, and a separate home office, providing flexible living space for modern family life. On the first floor are four generous bedrooms and a family bathroom. The principal bedroom benefits from a walk-in wardrobe and en-suite shower room, while the second bedroom enjoys its own dressing room. Outside, the property is approached via ample off-road parking and a detached garage. The delightful south-facing gardens provide an attractive and private setting, with a charming brook running through the grounds. Beyond the brook lies an additional area of garden backing onto playing fields, available for the occupier's use for a modest annual fee. Offering bright, spacious and adaptable accommodation in a desirable village setting, this wonderful family home must be viewed internally to be fully appreciated.

Upon entering the property through an entrance lobby you will find light and spacious ground floor accommodation, including a cloakroom, superb extended and fully fitted kitchen/dining room, an extended sitting room, as well as a separate room, currently used as an Office, but could be used as a dining room or indeed a fifth bedroom. Stairs lead from the Hall, to the first floor where there are four good sized double bedrooms. Bedroom two has, by virtue of the sitting room extension, the added benefit of a walk-in dressing room, whilst the principal bedroom includes a walk-in wardrobe and ensuite

shower room. Also on this floor is a modern family bathroom. All the principal rooms to the rear benefit from a lovely outlook over the rear garden and the playing fields beyond.

Outside: To the front of the property and in front of the garage is ample parking for several cars. The detached garage measures approximately 18'5 x 9'1 with an up and over door, electric light and power and a personnel door to the side. Beyond this is a useful timber garden shed. The gardens virtually wrap around the property and predominantly face to the south, are mainly laid to lawn and gradually slope down to a pretty, gently flowing brook that runs through the rear of the garden. Beyond the brook, is an additional raised lawned area, backing onto playing fields, that the occupier can use as a garden, subject to an annual licence fee (currently £5 per annum), and agreement with Messrs Mackley.

Location

The property is situated in a popular semi-rural location in a private lane that leads to farmland and numerous walks, all within the heart of the village of Small Dole. The village itself includes a local shop, public house and village hall and more extensive facilities can be found at Henfield to the North-East, approx. 3 miles away which offers a wider range of local shops, facilities and schooling. The old market town of Steyning, approx. 5 miles distant, also has a thriving local community centred around its traditional High Street and offers similar facilities to Henfield including primary and secondary schooling and with each community having health, sports & fitness centres and libraries.

The A27 via the Steyning Road (A283) is approx. 5 miles to the South and provides access to the city of Brighton & Hove which has an excellent range of all facilities. Shoreham-by-Sea, approx. 6 miles to the South, has a mainline railway station (with services along the South coast to Gatwick and London Victoria), a small airport and a harbour. Hassocks to the East also has a mainline railway station and is approx. 7.5 miles distant, while the A23 (also to the East) is about 7 miles and provides access to Gatwick airport and to the national motorway network as well as to London and other major centres. Haywards Heath is approx. 16.5 miles and also offers a mainline railway station and similar facilities are available at Horsham to the North. There are a good range of independent and state schools in the area.
