⑩ EPC Rating C

We are delighted to bring to the market this four-bedroom detached family house. The property has been updated throughout over recent years and boasts one of the largest plots standing in a fantastic position at the end of the cul-de-sac, with large wrap-around gardens having a south-facing aspect to the rear, along with a long multi-car driveway giving ample parking for numerous cars. As you enter the property into the entrance hall, you have a door to the downstairs cloakroom, along with a very handy convenient door into the garage that, subject to planning, could make an ideal second reception room, like a home office is required. The living/dining room runs the full width of the house with a light, spacious feel due to the south-facing aspect that in turn leads into the recently fully fitted kitchen with numerous built-in appliances. On the first floor are three double and one generous single bedrooms, along with the shower room that did have a bath fitted in the past but was changed out of choice by the owners with a contemporary white suite. As mentioned, the gardens are very large and wrap around the house with ample space to allow for plenty of family living. In short, being located in an ideal location for local schools and facilities an ideal choice for a family moving to the area wanting a bit more space around them than one would normally expect.

Situation

Corsham is a pretty and historic town of architectural significance located on the southern fringes of the Cotswolds, an area of outstanding natural beauty and some 8 miles North East of the fine Georgian City of Bath. The town, noted for its fine High Street, has a wealth of beautiful and historic buildings dating from the 16th Century such as the Alms House and the historic Corsham Court with its landscaped open parkland. The town caters for most day to day needs with a range of national and bespoke shops, coffee houses, boutiques, restaurants and a variety of public houses. There are very good Primary and Secondary schools and the new Corsham Leisure Centre. Communications are excellent: Bath, Bristol and Swindon are all within easy motoring distance; there are fast road links to London and the West Country via the M4 motorway (J17 and 18 approximately 15 - 20 minutes away); and main line rail services are available from either Bath or Chippenham to Bristol Temple Meads and London Paddington.
