Where family memories are made...

Perfectly positioned on the ever-popular Brock Hill, this substantial four-bedroom semi-detached home is the kind of property families dream of. Loved and cherished by the same family since 2002, these walls have witnessed first steps, birthday parties, Christmas mornings and countless Sunday dinners. Now, after 24 wonderful years, it's ready to hand the baton to its next family to create a lifetime of memories of their own.

From the moment you step inside, you'll appreciate the fantastic sense of space. A welcoming entrance hallway leads to a generous lounge with dining area – perfect for cosy movie nights or hosting friends and family. The impressive L-shaped kitchen/diner is undoubtedly the heart of the home, offering plenty of room for busy breakfasts, homework around the table and entertaining into the evening. To the rear, the stunning family room is bathed in natural light thanks to its beautiful lantern roof, creating a bright and inviting space you'll never want to leave.

Upstairs continues to impress with four well-proportioned bedrooms, including three spacious doubles, ensuring everyone has room to spread out. A family bathroom and separate shower room mean there'll be far fewer morning queues – something every family can appreciate!

Then there's the garden... and what a garden it is! Forget measuring it in square metres – this is the sort of garden where football matches, family BBQs, birthday parties and endless games of hide-and-seek all happen at once. Backing directly onto open fields, the uninterrupted views provide a wonderful feeling of peace and privacy that's becoming increasingly hard to find.

To the front, a generous driveway provides off-street parking for multiple vehicles, completing this fantastic family package.

The property is also ideally located approximately 20 minutes walk from Wickford train station, perfect for commuters.

Homes like this don't just offer space... they offer a lifestyle. A home that's been filled with love, laughter and memories for over two decades is now waiting for its next chapter. Could it be yours?
