PARTICULARS OF SALE

Set amongst the winding alleyways of the lower village of Runswick Bay, The Cottage near the Green is a traditional stone and pantile cottage that has been attractively modernised and updated and has views over the Bay from the top floor.

From the alleyway running across the front of the cottage, the half-glazed entrance door panelled entrance door opens directly into

Living Room including Kitchen: An open plan reception room with a fitted kitchen along the rear wall and a staircase rising to the first floor. The focal point of the room is a stone fireplace with a cream coloured Charwood multifuel stove. The kitchen includes a oven, hob and a concealed fridge. Beamed ceiling. Window to the front with seat, 2x windows to the side and window to the rear with extractor fan.

First Floor

The staircase rises to a small landing with a window to the rear and a door opening into the master bedroom as well as a sliding door opening into ...

Bathroom: The bathroom has a simple white suite comprising a panel bath, a wash hand basin and a low flush WC. A small window faces to the side and there are 2small built-in cupboards.

Bedroom: A double bedroom with a recessed wardrobe over the stairs and 2 windows to the front with storage built into the window sills. A recessed cupboard lies in the gable and a further door opens onto stairs up to the loft bedroom.

Second Floor

From the master bedroom a door opens onto a concealed, steep, ladder style staircase rising up directly into:

Bedroom 2: A loft bedroom with a small window in the gable end looking out to sea, and a broad, south-facing double glazed dormer window which offers views over the rooftops out to sea. The bedroom has restricted headroom with only 5'10 clearance in the ridge. An eaves storage cupboard runs along the back of the room, housing the water header tank.

Outside

The property has no private outdoor space, but there is enough room in the communal alleyway in front of the property to place a bench with a southerly aspect, without blocking the path.

Parking: There are residents' and visitor car parks in the village operated by North Yorkshire Council. Annual permits can be applied for at a modest annual charge.

The property has a carved date stone over the lintel of the front door inscribed AD 1729, although it is uncertain as to whether this is original, or has been recycled..
