The bungalow offers a superb open plan lounge, kitchen, dining room with multi burner and vaulted ceiling and exposed beams, large larder, plenty of storage. Two bedrooms one with en-suite w/c and wash basin, both with bespoke fitted wardrobes, wet room and a spacious summer room.

The gardens are amazing, with various sheds with power, summer room with power and wood burner, a substantial detached double garage with a rear laundry room and boarded loft. Double gated entrance to parking for a lot of vehicles, caravan, boat and more.

### Entrance door

Bespoke hand crafted wooden entrance door to the hallway. This has a range of bespoke hand made fitted cloaks cupboards and drawers which back the built in larder, tiled flooring.

### Lounge, kitchen and dining room.

19'12 x 15'9

It really is a problem to describe and do the property the justice it deserves, in particular to appreciate the hand craftsmanship that is evident in all the rooms and indeed the outside space.

The open plan works particularly well, even more so with the wonderful beamed and vaulted ceiling. The lounge has a part raised fireplace with a multi fuel cast iron burner with enough capacity to keep all the

rooms warm. There is access to the loft space via a hand crafted iron ladder with a bespoke door entrance that has a decorative lead light insert, double glazed window to the side and a television point and quality half inch solid oak flooring throughout up to the kitchen.

The dining area offers plenty of space for a good size table and chairs and has a unique hand designed web lead light above head window, double glazed window to the side and reclaimed lead light stained glass double doors to the summer room.

The kitchen once again is a hand built bespoke range of base units and drawers with complementary work surfaces over. Inset gas hob (Calor gas bottles) and oven below, inset one and a half white sink, space for a fridge/freezer. There is a very large walk in larder/pantry with electric light and led light stained glass windows, double glazed windows to the front and side.

### Summer room

9'60 x 7'56

The summer room has a glass roof which has now been insulated and clad to make an excellent all year round room. Two single doors to the rear, French doors to the side and a gorgeous courtyard to enjoy breakfast or Alfresco dining and double glazed windows to both sides.

### Inner hallway

The inner hallway has a down lighter and 1930s style pine stripped doors to all rooms.

### Entrance, Rear and gardens

PLEASE AGAIN NOTE to fully appreciate the beauty, tranquillity and the array of landscaped and mature, plants, shrubs, flowers and more please pay particular attention to the drone ariel shots, photography and video tour.

The property has a right of way access across the front to the beginning of its driveway which is split by five bar gates, leading to the main parking and substantial double garage (please see write up). The drive way offers space for many vehicles and if you have a boat(s) caravan or camper then this is ideal, even more so if you work from home or have and use trailers.

The garden to the rear is landscaped with many mature shrubs, trees and flowers and fruit trees and continues to a neatly laid lawn which extends and wraps around the side of the property, again with lots of established planting. The plot and gardens continue to a large garden allotment area with a good size garden shed and adjacent chicken run and a gate leading in to the neighbouring field.

The current vendors love and respect the countryside and wildlife and have left a part of the garden to nature, which then leads on to summer house which has power and light and a wood burner (requiring a new flue). This is a superb place to relax, chill out and enjoy the wildlife, winter or summer.

There is a further good size shed which is insulated and has power and light and to one side a wood store and potting shed to the other.

### Double detached garage

16'7 x 15'15

This whether for vehicles or as a work shop, offers bags of space and has a loft access which is boarded and also has an outside loft access door, power and light with double opening doors to the front.

To the rear there is a very good size laundry room with sink and a variety of units, door to the rear.

### AGENTS NOTE
