Accommodation

Inside

The property is entered via a welcoming entrance hall which leads to the principal ground floor rooms. The sitting room is a cosy yet well-proportioned space, centred around a woodburner set within a tiled hearth and brick surround, creating an attractive focal point and a warm atmosphere.

In addition, there is a second reception room which offers flexibility as a dining room, study or additional living space depending on individual needs.

The modern kitchen/dining room has been well designed with a generous amount of storage and worktop space. Solid wood and wood-effect surfaces are complemented by tiled splashbacks, and integrated appliances include a ceramic hob with extractor hood above, eye-level double electric oven with drawer beneath and cupboard above, integrated dishwasher and fridge freezer. A lantern-style roof opening allows additional light to flood the room, while the slate-effect tiled flooring enhances both style and practicality.

A useful utility room provides space and

plumbing for a washing machine and tumble dryer, helping to keep laundry separate from the main living areas. The ground floor is further complemented by a convenient downstairs WC.

Upstairs, the first floor offers two well-proportioned bedrooms along with a modern bathroom fitted with tiled flooring and the added comfort of underfloor heating. The accommodation throughout is thoughtfully arranged and finished to a good standard, creating a home that is both practical and inviting.

Outside

The garden has been attractively arranged to provide both seating and planting areas. A paved terrace offers an ideal space for outdoor dining and relaxation, while raised beds and a small area of lawn create interest and colour throughout the seasons.

The garden is enclosed by traditional stone walling and hedgerow, offering a good degree of privacy and a sense of enclosure. Two wooden storage sheds provide useful external storage, and there is off-road parking for two vehicles.
