

PRIVATE GARDEN. EXCLUSIVE GARDEN SQUARE. PRIME SOUTH KENSINGTON.

A rare opportunity to acquire a beautifully presented three-bedroom garden apartment with a private landscaped garden and access to the exclusive Gledhow Gardens, one of South Kensington's most sought after garden squares. The combination of a private garden and access to the exclusive Gledhow Gardens is seldom available in South Kensington.

Extending to approximately 1,167 sq ft (108.5 sq m), this exceptional home offers generous lateral living space, abundant natural light and a lifestyle seldom available in Prime Central London. The stunning open-plan reception and kitchen open directly onto the private garden via full-width bi-fold doors, creating superb indoor-outdoor living and entertaining space.

The accommodation comprises a principal bedroom suite with fitted wardrobes and en-suite bathroom, a second double bedroom with direct garden access, a versatile third bedroom/study, a contemporary shower room and excellent storage throughout.

Beyond the private garden, residents enjoy privileged access to the beautifully maintained Gledhow Gardens, providing a remarkable green oasis in the heart of South Kensington.

Perfectly positioned moments from Gloucester Road Underground Station, Old Brompton Road's renowned restaurants, cafés and boutiques, outstanding local schools and London's world-famous museums, this is a rare opportunity to enjoy garden square living in one of the capital's most desirable neighbourhoods. Rarely do properties offering both a private garden and access to one of South Kensington's most desirable garden squares come to the market. Viewing is strongly advised.
