Windrush is a beautifully positioned three-bedroom semi-detached home, enjoying a highly sought-after village setting and benefiting from a driveway and single garage.

The welcoming entrance hall creates an excellent first impression, offering useful cloak storage and access to a modern ground-floor shower room. The heart of the home is the spacious and versatile open-plan living accommodation. This begins with the former entrance hall, now an addition to the living space featuring a wood-burning stove and staircase to the first floor. A cosy front-facing lounge provides the perfect space to relax, while the dining area enjoys direct access to the rear garden via patio doors. Completing the ground floor is a stylish, well-equipped contemporary kitchen designed for modern family living.

Upstairs, the property offers three well-proportioned bedrooms, all served by a family bathroom.

Externally, the home continues to impress with a private, fully landscaped rear garden, ideal for both entertaining and everyday enjoyment. A detached studio with power and lighting provides excellent flexibility and is currently used as a bird aviary. However, it could easily be adapted into a home office, gym, hobby room, or garden retreat.

Combining generous living space, adaptable outbuildings, and a standout village location, Windrush presents a fantastic opportunity for a wide range of buyers.

Early viewing is highly recommended to fully appreciate everything this wonderful home has to offer.
