To comply with anti-money laundering regulations (AML) all estate agents must be registered with HMRC. Gowland White complies with this legislation by using an online AML risk assessment company, approved by the UK Government. Please note that all buyers are charged a fee of £36.00 (inc. VAT), for each buyer, to cover this process. These fees are payable before we can progress an agreed sale.

## TENURE

We are verbally advised by our Vendor that the property is leasehold. The leaseholders of all six flats are members of the management company, which collectively owns the freehold interest in the building. Accordingly, the owner of the flat benefits from a share of the freehold through their membership of the management company. We are further advised that a monthly service charge of £100 is payable to the management company by each leaseholder.

Prospective purchasers are advised to verify all tenure and management details through their legal representative.
