Welcome home

There is an easy, welcoming feel to this apartment from the moment you arrive. Set on the top floor, it offers a little more privacy and a calm outlook, while the layout is simple, practical and well suited to everyday life.

A neat entrance hall sets the tone: tidy, well-kept and thoughtfully styled.

Made for real life

The lounge and dining area has plenty of room to relax, entertain or work from home, with a bright neutral finish that lets you make the space your own.

Kitchen & everyday living

A separate kitchen keeps the main living space uncluttered while still giving you everything you need for day-to-day cooking. The arrangement is straightforward, with good worktop space, fitted storage and a window bringing in natural light.

Simple, practical and easy to enjoy

This is the kind of kitchen that works well day to day — functional, bright and ready to move straight into.
