A one-of-a-kind Scandinavian-inspired home, positioned in the heart of Boxmoor Village, Hemel Hempstead. Combining striking architectural design with versatile accommodation, this exceptional property offers contemporary living in one of the area's most desirable locations. An especially valuable feature for Boxmoor is the private driveway, providing off-road parking for two cars.

From the moment you step inside, the sense of space and individuality is immediately apparent. The impressive open-plan reception and dining area forms the heart of the home, with a dramatic double-height ceiling, clean lines and abundant natural light creating a calm yet characterful setting. A stylish spiral staircase and timber-slatted detailing provide memorable focal points, while the generous proportions make this ideal for relaxing, entertaining and family life.

The modern kitchen sits naturally alongside the dining area, offering ample storage and worktop space. French doors connect with the substantial patio, creating a superb extension of the living space during warmer months and a private setting for outdoor dining.

The flexible layout includes three bedrooms, one benefiting from direct access to an additional patio, together with two bathrooms. The arrangement lends itself to a range of requirements, whether as a family home, a stylish retreat for downsizers or a property with guest accommodation.

Further versatility comes from two separate rooms: a charming reading room and a generous office. Ideal for home working, creative pursuits, quiet relaxation or occasional guest use, these distinctive spaces offer flexibility rarely found in such a central village setting.

Extending to approximately 1,358 sq ft, the accommodation balances practical everyday living with outstanding architectural character. Light-filled, beautifully presented and refreshingly different, the home enjoys a position with local amenities, cafés, green spaces and transport connections close at hand.
