A deceptively spacious, modern, end-of-terrace which enjoys a quiet, tucked away position very close to Stanmer Park. Currently arranged as a four-bedroom HMO with tenants vacating August 2026, this property would similarly suit the family buyer. The property is set well back from this quiet close by its deep lawned front garden and benefits from an off-road parking space. Internally, the property is currently arranged as kitchen, living room, bedroom and WC to the ground floor, alongside three comfortable double bedrooms and family bathroom to the first floor. The ground floor bedroom and living area could easily be united to create a larger living space for the family buyer. The sunny rear garden faces South and is laid to lawn with mature trees. Most recent updates include a modern, refitted kitchen and refitted combination boiler, and the windows were replaced in 2021 with a 10-year guarantee.
