DESCRIPTION

This bay fronted semi detached family house is positioned within a popular cul de sac containing semi detached houses of similar age and design and has the added advantage of delightful tree lined views across neighbouring fields. The property occupies an excellent plot with the rear gardens extending to approximately 60' in length and therefore much further potential, subject to obtaining the relevant approval.

Long Hey is well placed being within the catchment area of highly regarded primary and secondary schools and about a mile to the village of Hale with its range of individual shops, restaurants and wine bars and railway station providing a commuter service into Manchester.

The superbly presented and well proportioned accommodation is approached beyond an enclosed porch and entrance hall with turned spindle balustrade staircase to the first floor. Positioned at the front there is an elegant sitting room with the focal point of an attractive traditional fireplace surround and decorative cast iron grate. A wide opening leads onto the formal dining room with French windows to the paved terrace which is ideal for entertaining during the summer months. The adjacent kitchen is fitted with contemporary high gloss white units complemented by a range of integrated appliances and also provides access to the attached garage.

At first floor level there are three excellent bedrooms and modern bathroom/WC with white suite and chrome fittings.

Gas fired central heating has been installed together with PVCu double glazing.

Externally the wide paved driveway provides off road parking and the aforementioned rear gardens are laid mainly to lawn with the benefit of a high degree of privacy.
