DESCRIPTION

Woodbury's setting is truly unique with beautifully stocked wraparound gardens and gated off-street parking for several vehicles. There are two convenient ways to access the property: via the main entrance, which serves both the principal residence and the annexe, or through the utility room – ideal for muddy boots and paws after countryside walks.

Without doubt, the standout feature of the home is the impressive sitting room, centred around a wood-burning stove and enhanced by floor-to-ceiling windows that frame uninterrupted west-facing countryside views. These windows also provide direct access to the garden, creating a wonderful connection between indoor and outdoor living. The generous entrance hall is exceptionally wide and could easily serve as an additional reception or entertaining space. The L-shaped kitchen/dining room provides a perfect layout for both family life and entertaining, seamlessly linking the cooking and dining areas. Within the main residence are three well-proportioned bedrooms, a shower room, cloakroom, and generous storage including integrated cupboards/wardrobes in all three bedrooms.

An entrance porch connects the studio-style annexe to the main house while allowing it to retain its own independent access. Internally, the annexe comprises a kitchenette, shower room, and bedroom with glass French doors opening onto the side garden creating an ideal work from home area or additional accommodation. Planning permission has also been granted to extend the annexe by adding a further room. For more information, please visit Stroud District Council and refer to planning reference S.08/1668/FUL.

The gardens are a true delight and every gardener's dream. To the front, a low-level Cotswold stone wall encloses a more natural area where

established trees and shrubs provide a haven for wildlife. This space could easily be adapted to create a more formal garden or productive vegetable plots. Beautifully stocked borders, mature planting schemes, two ponds, variety of sheds and a charming summer house are thoughtfully positioned throughout the grounds. Both the shed and the summerhouse are fitted with electric. A superb seating terrace, directly off the sitting room, provides the perfect spot to relax and enjoy the spectacular sunsets over the surrounding countryside.

DIRECTIONS

The property is most easily found by leaving Stroud in the direction of Cirencester on the A419. On reaching Chalford, turn left after St Mary's church on to The Old Neighbourhood. Continue up the hill turning left at the crossroads towards Brownshill. Continue along the road passing the playing fields on the right hand side where the turning to Woodberry can be found on the right hand side opposite the allotments and just after the turning to The Avenue.
