On the market chain free, we are pleased to offer for sale this traditional mid terraced three bedroomed property which provides an opportunity for a first house purchase or as an investment. Situated in a popular part of the village, this property provides a fantastic opportunity to transform and personalise to create a comfortable home in a well established area.

The current vendor has created very much an open plan living environment. On entry through the front door, you will find yourself in the lounge/living room which has an open fire set on a granite hearth, recessed in a brick fireplace. There is open access into the kitchen/dining area. A utility function has been created to the rear and this is adjacent to the shower room; these two areas are slate tiled throughout. Stairs to the first floor have a 180 degree turn onto a staggered landing, this area benefiting from considerable natural light coming in through the rear window at the top of the stairs. There is a double bedroom to the front, a second bedroom which has the benefit of a large built-in storage cupboard with sliding mirrored doors whilst there is a further bedroom to the rear. Furthermore, from the landing, there is a good sized attic room, accessed via a sturdy loft ladder. This room provides multi use options and has a Velux skylight with a westerly aspect ensuring far reaching views. Externally, there is an open frontage with a hardstanding that offers parking for two vehicles within traditional walled borders. To the rear, again this garden is very low maintenance thanks to its hard standing finish with a granite shed at the bottom end. We understand from the vendor that its westerly aspect ensures it is a suntrap during the better weather. In terms of location, this mid terraced property is in the popular village location of Troon which offers many local amenities including a well known convenience store and a chemist which are both within short walking distance. The local primary school is within a five minute walk. Within three miles, around a ten minute or so car journey, is the town of Camborne where one will find more comprehensive shopping facilities,

both independent and chain including major supermarkets. There are also doctor's surgeries, dentist's, a main line railway station as well as a bus station.
