Situated in a quiet cul-de-sac in the desirable village of Scott Hay, this two-bedroom semi-detached bungalow enjoys truly stunning, uninterrupted views over open countryside to the rear, which are a standout feature of this property and rarely available in homes of this type.

The bungalow is ideally positioned to make the most of these beautiful field views, with the two bedrooms located at the rear of the property, allowing occupants to enjoy the peaceful rural outlook.

The property benefits from two side entrances, offering convenient and flexible access. One entrance leads directly into the kitchen, while the second opens into a porch, which leads through to the rear hallway and bedroom area.

Internally, the accommodation comprises a dining/living room with an attractive bay window, kitchen, bathroom, and two rear-facing bedrooms overlooking the stunning open fields.

Externally, the property offers a front garden and a low-maintenance graveled rear garden, perfectly positioned to sit and enjoy the impressive countryside views. There is also a detached garage and a spacious driveway providing parking for up to three vehicles.

While the property would benefit from modernization and personalization, it presents a fantastic opportunity to own a home in a highly regarded location with exceptional views.
