Outside, the property enjoys attractive gardens to both the front and rear. The rear garden is a particular feature, backing directly onto the Land Yeo River, providing a peaceful and picturesque setting. At the bottom of the garden sits a substantial garden building, offering excellent flexibility as a home office, studio or gym, complete with power, lighting, water and a WC.

Practical benefits include an allocated parking space and single garage located a short distance from the property, along with planning permission for a dropped kerb and driveway to the front, should a buyer wish to create additional parking.
