Description

Stevens are delighted to offer for sale this immaculately presented one-bedroom apartment, complete with a predominantly south-facing garden, an impressive garden room, and low monthly outgoings!

The property has been renovated to a high standard throughout by the current vendors, featuring new plastering, wiring, insulation, LED lights, as well as a renovated bathroom and kitchen. If you're looking for a place you can move into immediately, this apartment ticks all the boxes!

Accessed via a few steps to the private front door, which has been upgraded to a new composite grey design with chrome fittings, the entrance offers ample under-stairs storage, along with additional space for shoes and coats. Inset LEDs illuminate the stairway, giving it a contemporary feel and setting the tone for the rest of the property.

The modern kitchen boasts marble-effect countertops accompanied by high-gloss handle-less storage units, both high and low. A bright splashback enhances the contemporary ambience. The spacious double bedroom comfortably accommodates a Super King-size bed and features built-in wardrobe space. The lounge continues the modern theme and offers a distant southerly view toward the sea.

The oversized shower room exudes luxury, featuring a contrasting black shower cubicle paired with white sanitary ware, all finished in a stylish half-tiled pattern.

Outside, the garden truly steals the show! The predominantly south-facing garden is mostly laid to lawn, featuring a top paved BBQ area and a further undercover socializing space leading to the garden room. Aply named the "Dog House", it currently serves as a bar and games room, making it ideal for entertaining guests, but it could also be converted into a work-from-home space if needed.

In our opinion, early viewing is essential to fully appreciate this apartment and all its features!
