HALLWAY

Step inside from the driveway and you'll find a bright hallway that leads to the reception room, kitchen, two bedrooms, bathroom, and the loft.

RECEPTION ROOM

The reception room welcomes you at the front of the property, with sunlight streaming in through a large window that frames the space. There's ample room for a comfortable two-piece suite—perfect for relaxing or entertaining guests—along with thoughtfully placed storage units to keep things tidy. A radiator beneath the window ensures the room stays warm and inviting all year round.

KITCHEN

The kitchen is tucked away at the back of the house, offering a quiet retreat from the main living spaces. Cabinets and drawers line the walls, providing plenty of storage, while ample countertop space accommodates both daily meal prep and casual gatherings. There's room for free-standing appliances, and a cozy nook at the rear is just right for a small dining table—perfect for intimate breakfasts or lingering over coffee. Natural light pours in through windows on the side and rear, and a door opens out to the garden, inviting in fresh air and offering easy access to outdoor dining.

BATHROOM

The bathroom features a three-piece suite with a step-in shower enclosed by glass, a hand basin, and a low-level toilet. A frosted window lets in natural light while providing privacy, and there's a radiator to keep the space warm.

BEDROOM ONE

The first bedroom sits quietly at the back of the house, offering a peaceful retreat away from the street. There's plenty of room for a double bed, along with larger wardrobes or dressers, so you don't have to compromise on storage. A generous window lets in natural light, while a radiator below ensures the space stays cozy year-round.

BEDROOM TWO

The second bedroom sits at the front of the house, catching soft natural light through its window. It's just the right size for a single bed, with space for a small dresser or wardrobe. Storage is a bit limited for anything much larger, but the room feels cozy, warmed by a radiator beneath the window that keeps it comfortable year-round.

LOFT SPACE

The loft is reached via a door in the hallway, where a sturdy set of wooden stairs leads you upward. At the top, you step into a spacious storage area, illuminated by natural light streaming through a skylight window. Tucked away in one corner is the property's boiler, neatly installed and easily accessible.

EXTERNAL

This property features a welcoming front garden, perfect for adding a splash of greenery or seasonal flowers. A private driveway runs along the side of the house, providing easy off-street parking and leading directly to a detached garage tucked away at the back—ideal for secure storage or keeping your car protected. Around the rear, you'll find a spacious garden with a well-kept lawn and a paved patio area, offering plenty of room for outdoor dining, play, or simply relaxing in the fresh air. The location is conveniently just a short drive from a range of local amenities and reputable schools, making daily errands and school runs effortless.
