Summary

Brought to the market for the first time in 50 years, this three-bedroom family link-detached property set on a fantastic plot offers an excellent opportunity for modernisation and expansion (subject to planning). Loved by the same family for some years, this home is ready for new owners to put their stamp on it and create a bespoke living space to be enjoyed for many more years to come.

The accommodation briefly comprises a porch leading into a hallway with a stained glass door, staircase to the first floor and an under-stairs cupboard. To the front is a dining room featuring a bay window and fireplace, while the lounge also benefits from a fireplace and provides access to the conservatory. A kitchen completes the ground floor.

To the first floor are two double bedrooms, a third single bedroom, a family bathroom and a separate W.C..

Externally, the property boasts a garage and a large garden, with a particularly generous side area offering significant potential to extend, subject to planning consent. This is a rare opportunity to acquire a detached home on a superb plot. A viewing is strongly recommended.
