KITCHEN

The stylish and contemporary kitchen has been thoughtfully designed to offer both practicality and modern living. Fitted with a range of olive green wall and base units, complemented by white marble-effect worktops and pearl white tiled splashbacks, the kitchen is finished with wood-effect vinyl flooring. Integrated appliances include an electric oven, four-ring gas hob and stainless steel extractor hood, along with a single sink and drainer with mixer tap. There is space for a freestanding fridge freezer, washing machine and dishwasher, while the layout also provides room for either a breakfast bar or dining table. The under-stairs cupboard has been converted into a large pantry, offering useful additional storage. Double patio doors provide direct access to the rear garden, while a separate door leads back through to the entrance hall.

LOUNGE

As you enter from the porch, you are welcomed into this spacious and inviting lounge. Two windows overlook the driveway and side garden, allowing plenty of light into the room. Finished with grey carpet, the lounge provides ample space for a range of furniture. Doors lead back through to the entrance porch.

DOWNSTAIRS W.C

Conveniently positioned off the entrance hall, this practical downstairs WC is fitted with a black WC with an attached hand basin and low-level flush WC. A frosted window to the front provides privacy, while beige and taupe tiles complete the room. A door leads back through to the entrance hall.

FIRST FLOOR LANDING

The first-floor landing provides access to all three bedrooms and the family bathroom, with a practical layout leading to each room.

BEDROOM ONE

Creating a calm and relaxing space, bedroom one is a spacious double room benefiting from fitted wardrobes and plenty of room for additional freestanding bedroom furniture. The additional room is currently used as a walk-in wardrobe and has the existing fittings in place to be converted into an en-suite, if desired. An airing cupboard provides further useful storage. A door leads back through to the first-floor landing.

WALK-IN DRESSING ROOM

Accessed from bedroom one, this useful additional room offers a range of possibilities and could be used as a small nursery, walk-in wardrobe or converted back into an en-suite. A door leads back through to bedroom one.

BEDROOM TWO

A generously sized double bedroom positioned to the front of the property, enjoying pleasant views over the street from the window. The room offers plenty of space for freestanding bedroom furniture. The property also benefits from a fully boarded loft with ladder access, providing useful additional storage space. A door leads back through to the first-floor landing.

BEDROOM THREE

The smallest of the three bedrooms, this room still offers space for a double bed and additional freestanding furniture. Positioned to the side of the property, the window overlooks the side garden. A door leads back through to the first-floor landing.

FAMILY BATHROOM

Recently renovated within the last 12 months, this modern and stylish family bathroom is fitted with a white three-piece suite with black fixtures. The bathroom features a round countertop basin with storage cupboard beneath, along with a rainfall shower and separate handheld shower attachment. Finished with white patterned ceramic tiling, the room also benefits from a heated towel rail and mirror with touch lighting. A door leads back through to the first-floor landing.

FRONT/DRIVEWAY

Black gates and fencing surround the property, providing a good level of privacy and security. A private flagged and paved driveway offers parking for multiple vehicles, with gated access leading through to the rear garden and creating a wrap-around feel. The outdoor space is divided into three areas, with front, side and rear gardens offering plenty of room to enjoy and make use of.

REAR GARDEN

The rear garden makes great use of the available space, offering a good level of privacy and a low-maintenance layout with areas of paving and decking. A large decking area provides plenty of room for outdoor seating, with built-in lighting making it ideal for hosting and entertaining. The garden also benefits from a shed with electricity, while gates provide access to the front of the property and patio doors lead directly into the kitchen.

SIDE GARDEN

A great addition to the property, this large area of garden has been levelled and finished with artificial grass, creating a versatile space with plenty of room for a range of uses. Towards the end of the garden is a garden studio, providing a useful additional space away from the main house.

DETACHED GARDEN STUDIO

The detached garden studio provides a useful additional space, measuring approximately 8ft x 8ft and offering plenty of scope for a range of uses. Currently used as a hideout, it could easily be adapted to suit your own needs. The studio also benefits from its own private patio area, finished with paving and stone.
