# 3 Bedroom House - Semi-Detached located in Knutsford

Acobas are delighted to offer to the market this immaculately presented semi-detached home, ideally located within walking distance of Knutsford town centre and several highly rated primary and secondary schools.

Having recently undergone a comprehensive back-to-brick refurbishment, this stunning property offers true turn-key living with stylish, modern accommodation throughout.

The home is approached via a large newly laid driveway providing off-road parking for up to four vehicles. A gated entrance opens onto an Indian Stone pathway bordered with cobbles and an adjacent, beautifully kept lawn — all set behind exposed hardwood sleepers with Laurel planting and feature lighting, leaving a powerful first impression.

An inviting entrance porch features a slate bench with integrated shoe storage, leading into a spacious entrance hallway that flows seamlessly into the open-plan kitchen and dining area.

This superb space boasts engineered oak flooring throughout and is fitted with brand-new, high quality, integrated appliances. The dining area includes a built-in media wall with integrated 55" 4k flat screen TV and French doors opening out to the large patio and manicured garden beyond, perfect for entertaining. A discreet W/C is tucked away to one side, while a bright and elegant lounge with a bay window, and new modern fire and carpeting completes the ground floor.

Upstairs continues to impress, offering three generous double bedrooms, all beautifully finished. The accommodation is served by a luxurious refitted four-piece bathroom suite, featuring a separate bath, a large walk-in double shower and high-end matte black fittings for a contemporary finish.

The rear of the property features a well-maintained lawn, previously used as off-road parking and still offering the option to be converted back if desired — ideal for accommodating larger vehicles such as a motorhome. This is complemented by a spacious Indian Stone patio area and a private courtyard to the side, perfect for intimate outdoor

dining or the addition of a hot tub. Together, these areas create a versatile and beautifully designed outdoor space, ideal for both relaxation and entertaining.
