2 THE TERRACE, AVINGTON PARK LANE EASTON, SO21 1EG

Set in an idyllic position in the highly sought-after village of Easton, within the breathtaking surroundings of the South Downs National Park, this beautifully refurbished two-bedroom period cottage offers an exceptional blend of timeless character and contemporary comfort.

Forming part of a charming terrace of just five cottages known locally as The Terrace, the property occupies a particularly special position at the heart of village life. With its mellow brick elevations, open lawn frontage and classic proportions, the terrace is an enduring and much-admired feature of Easton's historic streetscape, perfectly capturing the essence of this quintessential Hampshire village.

The cottage has been extensively refurbished in recent years, combining thoughtful modern improvements with a respect for the building's period heritage. Enhancements include a beautifully crafted Neptune designed kitchen, and timber double-glazed windows throughout, ensuring improved efficiency while preserving the property's traditional character.

Approached via a long gravel path across the open lawn, No. 2 The Terrace immediately conveys a sense of quiet charm and understated elegance. A quaint double-door weather porch shelters the entrance, while a traditional stable door opens into a wonderfully welcoming kitchen. Here, pale polished stone flooring complements bespoke solid wood cabinetry by Neptune, creating a space that is both practical and stylish.

A generous quartz-topped island with breakfast bar provides excellent preparation and storage space, accompanied by further runs of base and wall units, integrated appliances and a spacious larder cupboard. An Everhot 100i (electric and induction) range cooker in a distinctive slate grey provides a striking focal point and completes this thoughtfully designed kitchen.

Beyond the kitchen lies a delightful living room with polished wooden floors and a wood-burning stove, creating a cosy yet elegant atmosphere. A full wall of windows with French doors opens directly onto the sunny rear garden, allowing natural light to flood the space and providing a seamless connection to the outdoors. From the living room, stairs rise to the first floor.

AND SO TO BED: Upstairs are two well-proportioned double bedrooms. The principal bedroom enjoys a peaceful outlook over the rear garden and countryside beyond through a charming dormer window, and benefits from built-in wardrobes together with an en-suite shower room.

From the Principal Bedroom, the landing leads to the second double bedroom which features an attractive fireplace and a useful built-in cupboard, with views across the front garden towards neighbouring village cottages.

The fully tiled family bathroom has a bath with shower over, basin and wc, under a Velux window.
