Situated in a quiet close, next to the conservation area in this attractive village just over 3 miles from Moreton-in-Marsh and offering spacious accommodation, this detached, two-storey, three/four bedroom house was built in 1987 on a spacious 0.2 acre plot. The electric heating system has been upgraded with a new consumer unit, wi-fi controllable Dimplex Quantum HHR storage heaters, and ceiling heating with wi-fi controllable ESWA thermostats. The house has also been redecorated.

This spacious property has reconstituted stone mullion leaded paned windows, a rustic brick fireplace in the sitting room, an attractive south-facing garden to the rear with a detached stone barn perfect for those looking to work from home or as a fabulous space for entertaining.

The house has a sitting room with a woodburning stove and a conservatory to the rear. There is a separate dining room, and a well-fitted kitchen/breakfast room and a separate utility room, both with Shaker-style units. On the first floor there is a large master bedroom with three double wardrobes and an ensuite shower room, a spacious family bathroom and two further bedrooms, one which connects to a large bedroom over the double garage. There is off-street parking for three vehicles with a box hedged garden and driveway.

The property is offered with no onward chain.
