SUMMARY

Nestled in a prime riverside position on the banks of the River Trent, Mills Drive offers a rare blend of contemporary luxury and scenic tranquility. This newly constructed three-bedroom, semi-detached home is part of The Old Mill development, a bespoke project that breathes new life into a historic local landmark. Tucked away off the sought-after Farndon Road, the property is designed for those who appreciate a high-specification modern lifestyle while being just steps away from gated access to picturesque riverside paths.

The interior of the home reflects a sophisticated "Scandi-style" aesthetic, characterized by clean lines and an abundance of natural light. The ground floor features a spacious open-plan kitchen and dining area, perfectly suited for both family life and entertaining. The kitchen is a standout feature, boasting sleek cabinetry and high-end integrated appliances, complemented by durable LVT flooring. Upstairs, the master bedroom serves as a private sanctuary with its own stylish en-suite, while two further well-proportioned bedrooms share a contemporary family bathroom finished with elegant vanity units and heated towel rails.

THE AREA

The location on Farndon Road is one of Newark's most sought-after spots. Residents are just a short, picturesque stroll away from the historic town centre, famous for its Georgian Market Place and the dramatic ruins of Newark Castle. Local amenities are plentiful, with a variety of independent boutiques, cafes, and fine dining options nearby, as well as major supermarkets like Waitrose and M&S Foodhall. For those who enjoy the outdoors, the adjacent Sconce and Devon Park offers beautiful walking trails and green space right on your doorstep.

This property is an ideal opportunity for first-time buyers looking to step onto the ladder with a home that requires zero renovation and offers a prestigious "lifestyle" address. Similarly, it is a perfect choice for those downsizing; the low-maintenance nature of a new conversion, combined with the security of a modern development and the ability to walk to local amenities, ensures a comfortable and convenient pace of life. Excellent transport links, including Newark Northgate's high-speed rail service to London King's Cross (approx. 75 minutes), further enhance the appeal for professionals and retirees alike.

I highly recommend Buttercross Estates. Moving house as we know is a very stressful process. When an estate agent takes the time to contact you with updates and ensures your buyers are well informed then at least one half of the process is stress free. When you add in advice and a shoulder to cry on the service goes above and beyond. I would definitely use them again and I thank them for the care and attention through out. Well done all.

As first time buyers, we really appreciated the helpful and efficient service that Buttercross provided throughout our journey; from the ease of booking our first viewing; to the speed in which the keys were brought to us on completion day. We were even given a handy welcome hamper with food, drinks and vouchers, and a card - with a handpainted picture of our new home. We would recommend Buttercross - thank you!
