Jersey Road, TW5

We are delighted to bring to the market this attractive detached beauty nestled on the prestigious Jersey Road, this impressive six-bedroom, four bathroom family house with large landscaped garden and gated off-street parking offers an unparalleled blend of elegance and contemporary living. Arranged over three floors and spanning more than 3,215 square feet of generous living space, this fantastic house is a unique purchase for growing families or investors alike.

As you step through the grand entrance, you are greeted by a spacious and light reception area, with reception rooms on either side of the hallway. To the rear of the house an outstanding open-plan kitchen and dining space will impress visitors creating a perfect space for gatherings and grand entertaining. A contemporary shower room completes the ground floor.

The first floor comprises five generously sized bedrooms and two stylish bathrooms, while the impressive loft conversion on the top floor offers an additional bedroom, shower room, and a useful utility area. There is also further potential to extend the property (STPP).
