DESCRIPTION

Hunters Wetherby are proud to present to the market this two bedroom mid terrace house close to all the local amenities, in the highly sort after market town of Wetherby.

Upon entering the property, you are welcomed into the lounge, full of period charm. This is the ideal space for relaxation, with high ceilings and a traditional open fire making a cosy atmosphere and creating a warm space for family living. Stairs from this room provide access to the first floor where a spacious double bedroom, dressing room/office and house bathroom can be found.

Through the lounge is the spacious kitchen diner, which features a range of fitted wall and base units, alongside integrated appliances such as the oven and hob. Ample space is also available for a dining table as well as a fridge freezer. Patio doors provide access to the rear garden as well as allowing natural light to flood this room.

To the first floor, bedroom one provides a spacious double room with ample space for bedroom furniture, and features a window which provides great natural light into the property and a lovely view of St James Church.

The partially tiled and modern house bathroom is comprised of a low-level WC, hand wash basin and bath with shower over, and also benefits from a heated towel rail.

The first floor also boasts a dressing room/office, ideal for those requiring extra space or working from home.

The second double bedroom can be accessed via a staircase from the dressing room/office. This spacious room offers bright and airy living.

The property also offers the added convenience of a large cellar. This could be a great space for additional storage, a third bedroom, utility, games room or snug.

Externally, the rear garden boasts a low maintenance patio with pebbled boarders and potted shrubs. It is bordered by stone walls, fencing, and large double gates for privacy. These gates can be opened to increase the space when entertaining. There is an outside tap. The front of the property offers a small garden area with stonewalls, an immaculate evergreen hedge and iron railings. From here, steps lead up to the front door.

The property comprises gas central heating, double glazing and the roof was fully replaced in 2009.

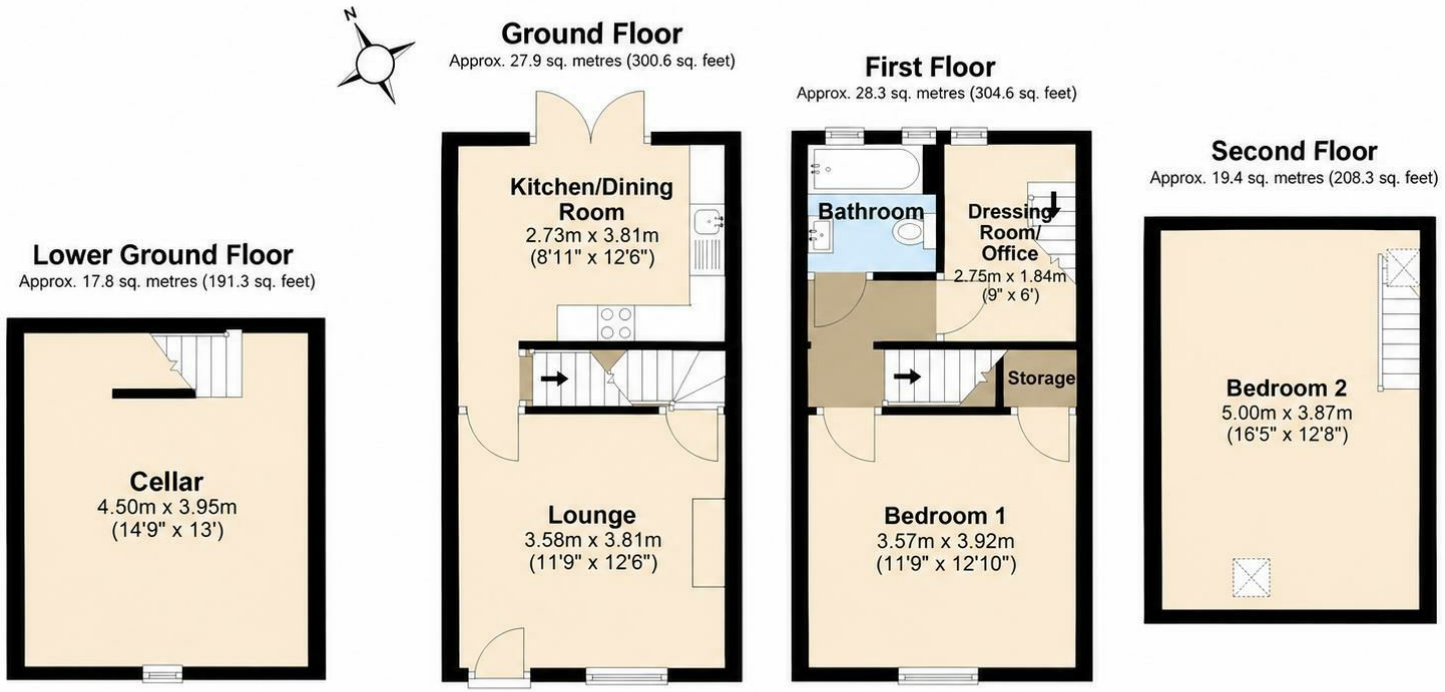

This property benefits for up to two resident parking permits for the resident only spaces in the adjacent car park on St James Street. This car park also offers free 24/7 parking for additional vehicles. Street parking is available directly outside the property from 6pm to 8am Monday to Saturday and all day Sunday.
